Sign & Graphic Solutions Made Simple.®

Testimonial for Liam Kelly from Ready for Retail.

Fastsigns Derby produce high quality signs and graphics and this is an image we like to portray to our clients. Therefore we knew it was time for Liam to 'fix' our car!

Our Honda Civic is a lease car and it is due to go back in a couple of weeks and having listened to Liam speak at BNI we decided to get a quote for fix the dent, scratches and stonechips, because he is "50% cheaper than a bodyshop and can save a considerable amount on the lease company charges for repairs"

We drove over to see Liam and he gave us a very reasonable quote so we arranged to leave the car with him for the week whilst away on holiday.

We were really surprised at the finish when we picked our car up – it looked as good as new!!

I am sure the lease company will find something to charge us for but I doubt it will be the bodywork or wheels!

Thanks Liam and I would definitely recommend to my friends and family.

Kind Regards

Gill Brown
