Testimonial for Liam Kelly

Ready 4 Retail

Liam completed alloy wheel refurbishment recently on our family car, a Ford Kuga.

We are preparing to sell it and buy a new one . To get the best price for our car we realised that some cosmetic repairs were required and I asked Liam to provide a quote , which he did so, free of charge .

We booked our car in and Liam had arranged for his courtesy car to be available for us to use whilst they carried out the work on the alloy wheels. Upon collecting our car we were extremely impressed by the high level of craftsmanship and how immaculate our car was . It was spotless both inside and out .

I would certainly recommend Liam and his team at Ready 4 Retail . The efficiency , craftsmanship and competitive price made for a pair of delighted customers.

Yours faithfully ,
